ABSTRACT

Culture has an inseparable association with monumental constructions throughout the nation and even in the world also. Medak Church is also among one of those monuments. It has great historical and social past activity behind its construction, and the name of the district has also derived from it. The founding thoughts laid to construct this historical monument was done in 1900 by Rev. Posnett, and completed by 1924 December 25th. It is one of the best pilgrim centers and tourist attraction centre for both Christians and other people.
